Bear Wants More By Karma Wilson And Jane Chapman Read ...

The bear books are really cute, but I don't care much for this one. Bear eats and eats and always wants more but the book doesn't address why. I know this is going to sound pretentious, but I feel like the book is just teaching kids to be gluttonous if they don't understand that he's hungry because he just came out of hibernation.

her products to life in this delightful bedtime story book. The process of illustrating and writing this book was an infinite source of joy" says Hylkia.

Bear wants to kiss the Moon

Bear Wants More is a picture book about a bear waking up from hibernating for the winter. When he wakes up he is so hungry, but his good friends make sure to give him a great "wake-up" meal. This book was very ironic because the bear wanted more food, but all of the bear's friends are animals that bears eat(the bear never eats them).
