Swiss Watch Guide

With few exceptions, the world's most coveted watch brands all seem to hail from Switzerland and simply having the name "Swiss" on a watch is an automatic generator of prestige and craftsmanship. For many centuries, Switzerland has been home to the world's most prolific luxury watchmakers. Manufacturers like Patek Philippe, Breguet, Jaeger-LeCoultre, Vacheron Constantin, Rolex, Audemars Piguet and more all come from Switzerland, and all of them have one thing in common: superlative ...

The Swiss Watch Guide — Gentleman's Gazette

First and foremost, when you come to buy a watch, know your budget. Watches are often compared to cars because of the mechanics involved, but the comparison could just as well apply to your spend. A good Swiss watch can cost anything from £500 to - if you look hard enough - £5m.
