The Art Of Being Governed

"The Art of Being Governed looks at the relationship between the military households of southeastern China and the Ming state, with an emphasis on how individuals negotiated their obligations to the government. With a brilliant use of sources, this illuminating book links the past to the present in creative ways and is one of the most sophisticated and vivid descriptions of social relations in late imperial China published in recent years."

The Art of Being Governed: Everyday Politics in Late ...

The Art Of Being Governed: Everyday Politics In Late Imperial China, by Michael Szonyi This author explores something that I would like to read a lot more of and that is a seldom-discussed area (at least in my purview) regarding questions of authority.

Book Review: The Art Of Being Governed | Edge Induced Cohesion

"The Art of Being Governed looks at the relationship between the military households of southeastern China and the Ming state, with an emphasis on how individuals negotiated their obligations to the government. With a brilliant use of sources, this illuminating book links the past to the present in creative ways and is one of the most sophisticated and vivid descriptions of social relations in late imperial China published in recent years."—Peter C. Perdue, Yale University

The Art of Being Governed | Princeton University Press

In The Art of Being Governed, Michael Szonyi explores the myriad ways that families fulfilled their obligations to provide a soldier to the army. The complex strategies they developed to manage their responsibilities suggest a new interpretation of an important period in China's history as well as a broader theory of politics.

THE ART OF BEING GOVERNED - Xiamen University

In The Art of Being Governed, Michael Szonyi explores the myriad ways that families fulfilled their obligations to provide a soldier to the army. The complex strategies they developed to manage their responsibilities suggest a new interpretation of an important period in China's history as well as a broader theory of politics.

The Art of Being Governed: Everyday Politics in Late ...

The Art of Not Being Governed does not come out of a clear blue sky but represents an extension and adaptation of many ideas with which Scott has worked over the years. Many people first gained some familiarity with the theory underlying this new work through the seminars and keynote lectures Scott gave at intervals over an extended period at elite centres of learning worldwide, often under the rubric 'Why Civilizations Can't Climb Hills'.

The Art of Not Being Governed: An Anarchist History of ...

The Art of Not Being Governed Modern Society in the 21st Century has adopted the perception that anarchist principles are beliefs that can only exist outside the concepts of civilization. Hence, it is customary to equate such conditions to those peoples that embrace the freedom and liberties that exist outside of a defined Nation-State.

The Art of Not Being Governed: An Anarchist History of ...

The Art of Not Being Governed: An Anarchist History of Upland Southeast Asia is a book-length anthropological and historical study of the Zomia highlands of Southeast Asia written by James C. Scott published in 2009. Zomia, as defined by Scott, includes all the lands at elevations above 300 meters stretching from the Central Highlands of Vietnam to Northeastern India. That encompasses parts of Vietnam, Cambodia, Laos, Thailand, and Myanmar, as well as four provinces of China. Zomia's 100 million

The Art of Not Being Governed - Wikipedia

The Art of Not Being Governed Book Description: For two thousand years the disparate groups that now reside in Zomia (a mountainous region the size of Europe that consists of portions of seven Asian countries) have fled the projects of the organized state societies that surround them—slavery, conscription, taxes, corvée labor, epidemics, and warfare.

The Art of Not Being Governed: An Anarchist History of ...

The Art of Being Governed: Everyday Politics in Late Imperial China is a study of the lives of soldiers and their families in the Ming dynasty. It was published by Princeton University Press in November 2017 and was named a Choice Outstanding Academic Title for 2018. More information about the book, and a sample chapter, are available here.

The Art of Being Governed | michael szonyi

Scott upsets the quaint notions of civilization, agriculture, and ethnicity that linger in the academic and intellectual consciousness. For this insight, The Art of Not Being Governed should be read by all scholars with an interest in uplands areas, whether within or outside Southeast Asia. Although this book contains some quaint notions of its own, such as a division between premodern and modern that seems to depend largely on the arrival European colonial rule (pp. 19, 96, 253), the idea ...

Review of The Art of Not Being Governed - New Mandala

I wanted to love The Art of Not Being Governed and ten pages in, I had high hopes for the book - just as Seeing Like a State sought to provide a new lens with which to understand how our landscape/operating context is shaped and managed, The Art of Not Being Governed seeks to provide a new lens with which to view the relati

The Art of Not Being Governed: An Anarchist History of ...

The Art of Not Being Governed is an important book precisely because it shatters the common view that those living outside the nation state are primitive and uncivilized. In stark contrast, Scott shows that outsiders can choose to remove themselves from the confines of the predatory state.

James C. Scott, The Art of Not Being Governed: An ...

In his excellent recent book The Art of Being Governed: Everyday Politics in Late Imperial China, Michael Szonyi does two things. First, as implied by the title, he explores the question of “everyday politics” (i.e., how ordinary individuals managed their relationship to the state) in late imperial China.
